CIE Tours, a leader in travel to Ireland and Britain, has launched a major sale for 2026 vacations. Running through October, the Fan Favorites Sale offers travellers up to fifteen percent off select guided coach tours and discounts on private driver holidays. The sale covers twelve of the company's most popular itineraries, from classic experiences to brand-new walking and hiking adventures. With potential savings of up to one thousand five hundred dollars per couple, travellers are encouraged to book early. The promotion brings flexibility, value, and choice to those planning Irish holidays in the coming year.

Highlights of Ireland's most loved tours

The Fan Favorites Sale puts some of Ireland's most sought-after tours within easy reach. Programmes include the seven-day Taste of Ireland, which showcases the country's highlights, and the nine-day Irish Supreme, a small group luxury journey featuring five-star accommodation. Other tours such as Evergreen Ireland North offer unique opportunities to explore Belfast, Derry, Donegal, and Galway. Each tour combines curated sightseeing, cultural activities, and rich storytelling. With every itinerary fully inclusive of hotels, transport, attractions, and most meals, CIE Tours removes the stress of travel planning. The result is a smooth, all-in-one experience.

New walking and hiking adventures

Among the standout additions for 2026 are two new small group walking and hiking tours. The Northern Coast nine-day itinerary explores Donegal, Derry, Inishowen Peninsula, and Glenveagh National Park with a maximum of sixteen guests. Highlights include hikes along the Slieve League cliffs, the rugged Horn Head landscape, and the world-famous Giant's Causeway. Guests can also enjoy a scenic boat ride to Devenish Island. With prices beginning at just over four thousand dollars per person, these tours combine fitness, culture, and nature. They appeal to travellers seeking a more active, off-the-beaten-path Irish holiday.

Celebrating the Irish pub tradition

For those drawn to Irish culture, the Irish Pub Tour is a fan favourite. Running for nine or ten days, it explores Ireland through its legendary pubs. Guests can enjoy a pint at Sean's Bar, Europe's oldest pub, and visit Sullivan's Taproom in Kilkenny for a private tasting. In Dungarvan, CIE Tours offers exclusive access to the centuries-old Marine Bar. Alongside the drinks are stories, songs, and camaraderie that define Irish pub life. With prices starting at just over two thousand one hundred dollars per person, this tour blends tradition, entertainment, and authentic cultural immersion.

Immersive itineraries with Irish Spirit

Another top choice is the Irish Spirit, an eight-day journey combining dramatic coastal drives with cultural highlights. Travellers can enjoy whisky tastings in Midleton, a jaunting car ride in Killarney, and a visit to Dublin's EPIC Irish Emigration Museum. Scenic drives through Connemara showcase landscapes framed by lakes and mountains. With prices starting from just over two thousand dollars per person, this itinerary offers outstanding value. It caters to those who want a balance of sightseeing, history, and hands-on cultural encounters. This tour is designed to leave guests with a deep connection to Ireland.

St Patrick's Day departures add magic

The 2026 Fan Favorites Sale also offers a unique chance to experience St Patrick's Day in Ireland. Eight of the twelve itineraries include departures timed around the holiday. Travellers will find themselves immersed in festive parades, music, and cultural performances. This rare opportunity combines guided touring with one of the world's greatest celebrations. For many visitors, it delivers a once-in-a-lifetime holiday. The ability to align a tour with St Patrick's Day adds even more value to the Fan Favorites Sale, ensuring memories that extend far beyond traditional sightseeing.

Private driver options for bespoke travel

For travellers seeking ultimate flexibility, CIE Tours has extended its sale to select private driver experiences. Guests can design customised itineraries with the help of expert drivers and local guides. Savings of up to seven hundred and fifty dollars per person are available for these tailor-made journeys. Whether focusing on family heritage, photography, or quiet countryside escapes, private driver tours provide unmatched personalisation. They suit those who prefer to travel at their own pace while enjoying the convenience of luxury service. This offering reflects broader market demand for private and small-group travel experiences.

All-inclusive value with CIE Tours

Every CIE Tours holiday comes with the Inclusive Advantage. This ensures all hotels, attractions, admissions, entertainment, and most meals are bundled into one price. The transparency of the model is a major selling point for travel advisors and customers alike. By avoiding hidden costs, CIE Tours strengthens trust and simplifies budgeting. For travellers, this means fewer surprises and more enjoyment. The Inclusive Advantage has long set CIE Tours apart in the guided travel sector. By combining it with seasonal savings, the Fan Favorites Sale creates one of the most attractive offers in the Ireland travel market.

Growing demand for Irish travel

Ireland remains a dream destination for global travellers, and the demand for 2026 holidays is expected to be strong. Cultural richness, stunning scenery, and warm hospitality make it a top choice. According to tourism market forecasts, guided coach tours are experiencing renewed interest as travellers seek stress-free, expertly managed experiences. At the same time, active and private travel options are growing in popularity. CIE Tours' decision to combine guided classics with new walking, hiking, and private driver tours shows strategic awareness. It positions the company to capture a wide range of traveller interests and budgets.

Urgency to book before October ends

The Fan Favorites Sale is available only until October thirty first 2025. With high demand expected for 2026, travellers are urged to book early. Availability is limited, particularly for small group and St Patrick's Day departures. Travel advisors are encouraged to promote the sale aggressively, as it offers excellent value for customers. The combination of up to fifteen percent savings, exclusive experiences, and all-inclusive pricing is unmatched. For travellers planning their Ireland adventure, the message is clear: act now to secure the best dates and itineraries at the lowest prices.
