The most audacious, luxurious, and adventurous trip of 2025 must be Tauck's *Around the World in 100 Days* tour, which has just been announced. Celebrating the 100th anniversary of the luxury travel company founded by Arthur Tauck Sr. in 1925, it promises to be a three-month plus immersion that combines the itineraries of seven of Tauck's best tours into a single outstanding trip. Tauck 100 day tour map

This is a departure for just 24 guests on a trip curated by Tauck staff, with travel by land and river ship, traversing 42,000 miles across 15 countries and six continents. It includes seven signature Tauck itineraries: five land journeys, one safari, and one river cruise. Jules Verne's fictional hero Phileas Fogg went "Around the World in 80 Days." Tauck guests are traveling at a somewhat more leisurely pace ... [continue reading](#)
