Tauck is celebrating its 100th anniversary with a once-in-a-lifetime epic tour that takes travelers to six continents over 100 days.

Dubbed *Around the World in 100 Days*, the all-inclusive journey blends the itineraries from seven Tauck tours into a single one-off trip, taking place from July 29 until Nov. 5, 2025.

This is the first time Tauck has offered its most popular tours as a single journey.

Guests will traverse 42,000 miles (67,600 kilometres) across 15 countries on six continents, starting in the Canadian Rockies and ending in Buenos Aires. Highlights of the trip include six small group land tours in destinations like Italy, Tanzania, Japan, and New Zealand, as well as a luxurious river cruise on the Danube.

The package price is \$100,000 USD per person, based on double occupancy.

Tauck provides a dedicated reservations counselor and concierge to handle trip planning, hometown airport transfers, and laundry services. Pre- and post-hotel stays and Guest/Cruise Protection Plan are also included; however, airfare for flights between legs of the trip are priced separately.

Spots are limited: The *Around the World in 100 Days* tour must be booked by March 31, 2025.
